

TO WHOM IT MAY CONCERN:

From: Heidi Bosch Romano (worked in H-B Production Dept. 1988-1995)

Following are samples of the Hanna-Barbera Smurfs end of season items that I saved from the shows that I worked on. They were for in-house use and had never been available to the public.

- Original revised storyboard page in blue and black pencil
- Producer's original correction notes on character model
- Producer's pencil drawings of king character's expressions
- Model pack page showing the final king character expressions
- Rough production model of Brainy
- Selections of rough character models
- Final storyboard with selection of rough character models
